

WEST END HOUSE CAMP RECRUITMENT DISCOUNTS!

We are pleased to announce the up to \$500 RECRUITMENT DISCOUNTS FOR 2020!

Starting now, if you refer to us a camper who signs up for the upcoming summer at the regular price, you will receive a **\$500 discount** from your total bill if he signs up for 8 weeks, a **\$400 discount** if he signs up for 6 weeks, a **\$300 discount** if he signs up for 4 weeks, and a **\$200 discount** if he signs up for 2 weeks.

Better yet, there is no limit to the number of campers you can refer, so you can reap multiple discounts!

New campers, once enrolled, are also encouraged to make referrals in order to take advantage of the discounts!

“Word of mouth” referrals from happy campers have always been our most successful method of enrolling new campers each summer. We want to **thank you and to encourage you** to refer to us potential campers (such as your *children’s* friends and children of friends, neighbors, work colleagues, and relatives).

With the outstanding success of our Second Century seasons, with the number of new families who have already expressed interest in sending their children to West End House Camp next summer, and with all of our combined efforts, we will most definitely fill up earlier than ever before!

Please contact Steve with any new referrals. Make sure that prospects mention your name. We are always available and happy to help in any way we can!
